

Sarah E. Frazer

LET'S READ THE BIBLE

Sarah Frazer is a Bible teacher, author, and podcast host passionate about helping women meet with God through His Word in the middle of everyday life. Through real-life storytelling, Scripture-rich teaching, and a gentle, encouraging approach, Sarah invites women to discover God's presence in both the ordinary and the difficult seasons of life.

She is the author of *I Didn't Sign Up for This* and the host of the podcast *Psalms to Help You Sleep*, where she guides listeners through the Psalms with biblical encouragement for anxious hearts and sleepless nights.

Whether teaching at retreats, conferences, Bible studies, or women's events, Sarah's heart is to help women feel grounded in Scripture, encouraged in their faith, and reminded that God is near—even in seasons of waiting, grief, exhaustion, or uncertainty.
